

# 4.0.1.1 Release Notes

*Release date: Mon, 20 Feb 2017*

## **MAXWELL GPU**

- Fixed bad MXI file saved when engine is GPU and normals channel is enabled. MXI backward compatibility broken due file format change. Older maxwell render are not able to open 4.0.1.1 MXI files.

## **MAXWELL RENDER**

- CPU render engine performance improved about 10%. Now Maxwell 4 and Maxwell 3 has the same performance.
